

## 2022 Summer Programs

We are excited to be able to offer a few summer programs this year. Unfortunately, we can no longer do all the things we have in the past due to the continuing Public Health Advisory and COVID. Here are some new programs based on things that parents have expressed an interest in. Groups will remain very small and all children attending **must be able to wear a mask** so we keep everyone safe, including those at higher risk. Individuals using AAC are welcome to any of the groups. All groups will be held at Washington Church located at 3925 Central Ave. Toledo, 43606. This allows us to maintain a safer distance while inside and use a fenced-in outside space for safety during outdoor activities.

All groups have been designed to help the kids develop new skills and refine current ones. Our goal is to have FUN while working on current IFSP, IEP, and personal goals. Contact us with any questions or to register at 419-841-1840/fax: 419-841-1841/email us at [rehabforkids@rehabdynamics.com](mailto:rehabforkids@rehabdynamics.com).
