

2025 Summer Programs

We are excited to be able to offer several summer programs this year. Many of the groups will be held at Washington Church located at 3925 Central Ave. Toledo, 43606.

All groups have been designed to help the kids develop new skills and refine current ones. Our goal is to have FUN while working on current IFSP, IEP, and personal goals. Contact us with any questions or to register at 419-841-1840/fax: 419-841-1841/or email us at rehabforkids@rehabdynamics.com.

Classes begin the week of June 9th and go through Aug. 1st. Please check the schedule for each class as some are 6 weeks and others are 8 weeks.

1. Summer Fun- Preschool

A fun, play-based summer group where little ones build skills while making friends! Children will practice being part of a group, sharing, waiting, taking turns, and communicating their wants and needs.

Led by occupational therapists, speech therapists, and educators, the group meets twice a week for 1.5 hours over 8 weeks. Using a sensorimotor approach, activities include outdoor play, crafts, games, and sensory experiences to support engagement, regulation, and social interaction. Speech and language support is embedded throughout, helping kids express themselves through various communication methods. We also gently expand the foods and sensory materials children explore, all within a supportive and fun environment.

Group sizes will be very limited so personal goals can be addressed. Siblings or peers are welcome to attend at a reduced rate.

Preschool Ages: 2-4 yrs. **Length:** 8 weeks **Staff:** OT/Speech/Educator. **Class Size:** 6 **Cost:** \$ 860.

Days/Times: Section 1: W and F 8:30-10:00 **OR** Section 2: W and F 10:30-12:00. **Location:** Washington Church

2. Summer Fun - Elementary Group

Give your child the tools to grow, connect, and thrive this summer! Our Summer Skills Group for ages 5-8 helps kids build friendships, independence, and opportunities for cooperative play and skill development in a fun, play-based setting.

This program focuses on language development, fine motor skills including writing, self-regulation, sharing, taking turns, and problem-solving, with activities like games, crafts, & outdoor play. Snack time provides many opportunities for food & sensory exploration to support sensory sensitivities and picky eating. Speech and language support is embedded in all activities, helping kids strengthen communication through speech, AAC, signs, and social interactions.

Led by occupational and speech therapists, as well as educators. This 8-week group meets twice a week hours. Group sizes will be very limited so personal goals can be addressed. Siblings or peers are welcome register at a reduced rate.

3. Early Language Learning Group

This group is designed for toddlers ages 2–3 yrs., focusing on promoting language development and cooperative play. Through an engaging hour of targeted stories, music and play activities, children will build essential communication skills. This includes making requests, commenting, using social language, and expanding age-appropriate vocabulary. Led by a speech therapist, this play-based group encourages interaction, turn-taking, and connection with peers in a fun and supportive environment, helping toddlers grow their language abilities while developing early social skills.

Class Size: 6 **Cost:** \$540. **Days/Times:** Tues 9:45-11:15 **Location:** Washington Church

5. Oral Motor Speech Group

This group is designed for children 3-6 yrs. who need support developing the oral motor strength and control necessary for clearer, more understandable speech. This group specifically targets the foundational motor planning skills required to talk more, talk better, and be more easily understood.

Through engaging, play-based activities, children will practice coordinated mouth movements, sound sequences, and speech patterns. These activities support the ability to produce specific sounds and words with greater accuracy and consistency. Activities focus on strengthening the lips, tongue, and jaw, improving breath support, and building the ability to plan and execute the movements needed for speech. Repetitive, multisensory strategies—including music, movement, and visual supports help children improve sound production and speech clarity in a fun, motivating environment. **Note:** Fee includes tools needed for various oral motor activities that will be provided to the family at end of session at retail cost of \$65.00.

Daily Life Skills

6. Life Skills Development Group- Preteens and Teens: Join us this summer for a fun and engaging Life Skills group designed to help individuals develop skills needed to be more independent and build confidence in social settings with peers and the community. Participants will have multiple opportunities to make friends and engage in both social and educational activities with them. They will be practicing a wide variety of essential daily living skills such as meal preparation, grocery shopping, handling money or cash cards, cleaning tasks, and using basic tools. In addition to this, they will participate in community activities such as bowling, mini-golf, arcades, and trying their hand at Do-It-Yourself projects at local studios. Several volunteer activities are also planned. This program aims to foster increased confidence in social situations, making friends, increasing independence with basic life skills, teamwork, and participating in activities in both the community and in a supportive environment. Our program is uniquely structured to cater to various ability levels. This is run by one of our experienced occupational therapist and offers a nurturing environment where participants can practice and enhance their skills. It is divided into two distinct sections, each tailored to accommodate different ability levels. This ensures that every participant receives the right balance of support, challenge, and engagement according for their needs.

A. Life Skills Foundation Group: This group is tailored for individuals who are beginning to participate in some daily living tasks and social outings, but may need more support. Meetings for the group will be held one time weekly 1.5 hrs. The group focuses on introducing basic concepts and tasks in a highly supportive and structured environment, with an emphasis on step-by-step guidance. All sessions will be adapted to ability level to ensure meaningful engagement and growth. Sessions will be held at a variety of locations such as in the community, at Washington Church, or at Rehab Dynamics. Parents will be provided a schedule for each session and where it will be held.

REGISTRATION INFORMATION

Please complete the registration form ASAP to ensure a spot in the summer programs as space is very limited. Registration can be faxed, emailed, or mailed to the office. Your child's spot will **only** be reserved when a deposit is received, or written confirmation that grant funding is confirmed.

1. Prior to participation a screening **must** be completed for all new campers. You will be contacted to schedule this after registration is completed and a \$40.00 screening fee is required at that time.
2. In the event of insufficient registration, RDI reserves the right to cancel or reschedule a class. **Many classes quickly so register early**. If classes fill early additional ones **MAY** be added if there is interest and staffing.
3. A 10% discount is available if registering for more than one class. Some classes may have room for a sibling as a peer model at a reduced rate. Please ask the front desk staff for information on this.
4. If a holiday falls on a class day (i.e. 4th of July), or the therapist is ill, the class will be re-scheduled. If the child misses for any reason (i.e. vacation/illness/etc.), we do not have flexibility to make up these days.
5. If your child needs 1:1 help please let us know and we will try to make arrangements to provide this. There will be an additional cost.
6. **FULL PAYMENT IS REQUIRED BY MAY 30th. NO REFUNDS AFTER THE 1st CLASS.**
